HTML5, CSS3, JAVASCRIPT/JQUERY/JSON, SASS/LESS, BOOTSTRAP, GIT/GITHUB, PHP, RUBY ON RAILS, WORDPRESS, ADOBE PHOTOSHOP, DIGITAL PHOTOGRAPHY

EXPERIENCE//

FRONT END WEB DEVELOPER

Berklee Online, Boston, MA

OCT 2011 - PRESENT

- Responsible for implementing and maintaining a mobile first approach to the site layout of Berklee Online, the online extension school for Berklee College of Music, to ensure responsiveness across devices from mobile to desktop utilizing HTML5, CSS3, and JavaScript leveraging the Bootstrap and Ruby on Rails frameworks
- Dynamic custom video integration using JavaScript to leverage the Brightcove Video API
- Working with in-house CMS applications to support front end data integrations
- Newsletter and email campaign template creation in HTML for Marketo
- Additional skills employed include designing assets in Photoshop and Digital Photography to create professional image assets in house

WEB DEVELOPER

Sony Pictures Imageworks Interactive, Culver City, CA

MAR 2007 - OCT 2011

Developed and maintained interactive, scalable, and cross-browser independent promotional websites and emails for Sony Pictures, Sony Classics, and Sony ImageWorks Interactive using HTML, CSS, Javascript, JQuery, and PHP. Experience taking fully designed website compositions (comps) in Photoshop and developing them into mobile-friendly and accessible websites and email campaigns.

INTERACTIVE WEB & FLASH GAME DEVELOPER

Mattel, Inc, Los Angeles, CA

OCT 2003 - MAR 2007

Developed and maintained interactive Flash games and content for Barbie.com and Hotwheels.com using ActionScript, HTML, CSS, and .NET. Responsible for localizing interactive content across all international Barbie.com websites. Moved into the role of *Assistant Producer of*

International Content in 2006, managing a small team of resources to support content localization of all Barbie.com and Hotwheels.com interactive websites.

ORGANIZATION & VOLUNTEER WORK//

BOARD MEMBER & TEACHER

Girl Develop It, Boston, MA

NOV 2013 - PRESENT

Girl Develop It plays an important role in the community by providing women of diverse backgrounds an opportunity to learn how to code and build skills applicable to web, app, and software development in a supportive environment. My responsibilities as a teacher and board member include developing curriculum, hosting events, organizing classes, community outreach, and teaching classes in settings sponsored by some of the most cutting edge tech companies in the Boston area.

DOG FOSTER, TRAINER, & PHOTOGRAPHER

Second Chance Pet Adoption, Raleigh, NC

JAN 2010 - OCT 2011

Fostered and trained dogs of various breeds and backgrounds to become more adoptable and find forever homes. Participated in fundraisers, adopt-a-thons, and provided digital photography for events and dog profiles.
